Phone 806-385-4195 ♦ Fax 806-385-6297

Parents and Staff,

Littlefield ISD Administration has been notified that staff members from Central Office, Jr. High, Elementary, and Primary have tested positive for COVID-19 as well as one Elementary student. The staff members and student are all currently self-quarantining at home. Each of these individuals has consistently worn a mask and practiced social distancing.

LISD is continuing to deeply sanitize, and all District employees and students are instructed to continue to follow CDC guidelines and recommendations and to practice social distancing.

Based on the information that we have gathered, it has been determined that the end of the 14-day incubation period for anyone possibly exposed to the staff members or student is October 17.

Out of an abundance of caution, we advise you to monitor your health, follow the [CDC guidelines for people who have had close contact](#) and contact your primary care physician if you develop symptoms.

Littlefield ISD is continuing to monitor the situation and will provide additional information as needed. We hope for a successful recovery for our treasured staff member.

Sincerely,

*Robert Dillard*

Robert Dillard  
Superintendent of Schools
